

Getting to know the DANCERS.....DEB FERRAO

What is your connection to Annunciation?

My husband, Vijay, and I are Annunciation parents - our 3 kids are in grades 6th, 4th, and 1st

What are some things that you love about Annunciation?

We love Annunciation for its community. Not only have our kids found amazing friends, but also Vijay and I have made some wonderful friendships. I love how everyone comes together for our fundraisers - so many people donate time to make things happen and the generosity is overwhelming.

What has been the hardest part of learning to dance for DWAS?

Besides trying to remember my routine, the hardest part for me is visualizing and accepting the fact that I really do need to perform in front of a bunch of people at the end of these lessons!!

What has been enjoyable about learning to dance for DWAS?

Truly, I have always enjoyed dancing, so it's fun to "have" to go to lessons and learn a dance. My partner has also been really great, keeping it fun and stress free.

If you could give one word to describe your dance routine, what would it be? **WOW!!**
