Discussed how School Advisory Committee advises/supports enrollment team and their efforts. What is the messaging of Annunciation so that we can be different from other schools in the community and how that shapes our strategic plan. Working on updating website to make it more mobile friendly. Annunciation Ryan Sherf(spelling?) create application for phones. Billboard on 50th and Penn(new location) looks great and there seems to be an increase in website activity. Work on showcasing the why people connect with Annunciation vs the how. Create sub-committees to execute plans during the year. Focus on tying in all of the school preschool through 8th grade.
- ii. 2017-2018 Proposed School Budget and Review – Dave Rutt and Mike Lori
Looking at budget and how that coincides with strategic plan. Aligning tuition schedule to better serve broader SW Minneapolis community. Evaluating in/out parish tuition differences and what that looks like over a three plan. Increasing financial aid and fundraising, staff benefits etc.. all go into over-all school budget. Once approved by School Advisory Council will move to Parish Finance Council. School Advisory Council approved the proposed 2017/18 budget.
