

## **MISSION STATEMENT**

Annunciation School is a Catholic parish school. We are a united and caring community of students, staff and parents committed to learning based on Christian values within our rich Catholic heritage. We provide our students with an outstanding religious and academic education, addressing the needs of the whole child.

### **Philosophy Statement**

We believe each student is a gift of God, a unique person, entrusted to our care. The education, development and growth of our students are our reasons for existence. Each student makes a unique contribution to our school. We expect our students to: use their individual talents to the best of their abilities; be responsible for their actions; treat all others with dignity and respect; follow the policies of the school; and contribute to the life of the school, parish and community. We provide them with: a Christian environment for learning; guidance, encouragement and discipline; love, respect and compassion; and nurture their spirit so they may achieve their full potential. We accomplish this by:

- Nurturing the development of the whole person in an open, inquisitive, respectful learning environment.
- Providing a Catholic, Christian value based curriculum.
- Combining innovative and traditional instructional methods.
- Providing an integrated curriculum. Knowledge and skills learned in one subject area are reinforced while studying other subjects. Skill development is continuous from kindergarten through eighth grade.
- Affirming and respecting the diversity of individuals and their beliefs.

- Equipping students with the tools for a lifetime of learning.
- We teach our students to live their faith in their lives; lead through example; become active participating members of their communities; respect God's gifts to us; serve others and enter into the sacramental life of the Parish.

### **Parish**

As part of the educational ministry of Annunciation parish, school is a vital part of a larger Christian community. We encourage our children to actively participate in parish life. The parish contributes a significant portion of its financial resources towards the education of its children. It is our obligation to use those resources wisely.

### **Parents and Guardians**

Annunciation School recognizes parents and guardians as the primary educators of their child(ren) and as consumers who are making a significant investment in their education. When parents and guardians select Annunciation School for their child(ren) they enter into a unique partnership.

The school is committed to open and frequent communication with parents and guardians about the educational progress of the child(ren), special issues, and school activities. Parents and guardians are encouraged to ask questions, share ideas and provide timely feedback to the school. Through volunteer activities in the school, and participation in the Annunciation parent's organization and school board, parents/guardians make a significant contribution to the education of their child(ren) and to the fulfillment of the school's mission. Parents/guardians are always welcome at Annunciation School.

## **Staff**

Annunciation staff consists of teachers, assistants, volunteers, custodians, food service, and administration personnel. Our staff is our greatest resource. They are the guides in the learning and growing process of our children. They function as a team to create an environment conducive to excellence in education. We believe each staff member: is honest and worthy of trust; shares faith and values with the students; is motivated to grow in knowledge, skills and effectiveness; keeps abreast of the latest trends in her/his field; has a real love for learning; an enthusiasm for education and takes pride in her/his work; recognizes that education is a profession, not a 9 to 5 job; deserves to be treated with dignity and empowered to perform her/his job; is responsible and accountable for the results of her/his work; has a role in problem solving, coordinates work with others, participates in decision making; is committed to work cooperatively as a team; evaluates and is evaluated according to fair, clearly communicated and consistently applied standards; makes an important contribution to the mission of the school; should be recognized for her/his contributions and achievements.

## **Administration**

Administration serves the parish school community by offering leadership in spiritual growth and faculty development. Administration offers cohesion to the educational ministry of the school community.

Administration also serves the school through the authority vested in the administration by the parish and the school board in matters of public policy, discipline and shared decision making.

## **School Advisory Council**

The School Advisory Council consists of 12 members who serve three year terms. A process of discernment guides the School Advisory Council in a consensus selection of new board members who are recruited by the Nominating Committee.

## **Community**

Annunciation School exists as a member of both a local and global Catholic community. Our students are taught awareness of their relationship as local and world citizens and that they have a calling to actively participate in their communities. We continually seek to strengthen contacts with local businesses and organizations, to expand opportunities to local and international communication, and to pursue programs which are of mutual benefit to the school and to the community. Annunciation School is committed to being a good neighbor.

### **School Advisory Council (SAC)**

The school advisory council serves as an advisory council to the pastor and school administration in the areas of policy, finance, marketing, advancement, facilities and strategic planning. The twelve members, selected through a process of recruitment and discernment, serve three year terms. The school is responsible for ensuring that the school fulfills its mission and for safeguarding the economic viability of the school.

The school advisory council meets the second Tuesday of each month in the Annunciation School Spirit Center Conference Room. Parents are encouraged to become involved in the school advisory council committees: marketing, facilities, and advancement.

### **School Advisory Council Members 2016-17**

- Mike Lori – President
- Allison O'Brien
- Steve Peterson
- Dave Rutt

The agenda, minutes and school advisory council policy handbook are listed on our website.

### **Annunciation Parent Organization (APO)**

The Annunciation Parents Organization (APO) is made up of all parents and guardians of our students. In partnership with teachers, administration and the school board, it is APO's mission to help provide the best environment for our children to develop academically, spiritually, and socially. This mission is accomplished by:

- Recruiting and organizing parent volunteers.
- Welcoming and encouraging new family and current family participation.
- Fostering a sense of school support, pride, and enthusiasm.
- Serving as a resource for communication among parents, teachers, administration and the school board.
- Recognizing the contributions of the staff.
- Raising funds to support school initiatives.
- Helping build community consciousness within our school, parish, and the community at large.

An annual membership fee of \$10.00 per single parent family and \$20.00 per two parent family provides financial support for APO initiatives. Annunciation School's parent volunteers are the backbone of many wonderful programs. Parent volunteers contribute greatly to the positive school climate and welcoming atmosphere. For the safety of children, the Archdiocese has mandated that all churches do criminal background checks on volunteers who work with children on a one to one basis or who work alone with a group of children – for example our health

volunteers, athletic coaches, tutors, Camp Foley chaperones, SOAR leaders, reading enrichment volunteers, etc. Volunteers who work with children must also attend a Virtus Training. Forms are available in the school office. Information will be handled confidentially. In addition, all volunteers must read and adhere to the Code of Conduct.

## **REGISTRATION AND PROCEDURES**

### **School Daily Schedule**

The school day begins at 8:00am and ends at 2:45pm. The first bell rings at 7:45am.

School Office Hours - 7:30am to 4:00pm

### **Registration**

In February, current Annunciation School Families will be given a two week period in which to register for the upcoming school year. There is a \$200 registration fee due at this time which is non-refundable.

During Open Enrollment, priority is given to returning students. Following open enrollment, registration will be accepted on a first come, first served basis. Enrollment priorities are as follows:

1. Employee's children
2. Parishioners with siblings in school
3. Parishioners
4. Non-parishioners with siblings in school
5. Children and grandchildren of alumni
6. Catholic Non-parishioners
7. Non-parishioners

**All priority placements of students are based on meeting the required deadlines of Open Enrollment. All deadlines are clearly stated in the enrollment materials. Subsequent registrations received after Open Enrollment will be treated on a first come, first served basis regardless of parishioner, sibling or alumni status.**

Annunciation School administration will make the final determination regarding the enrollment of new students. Enrollment projections will be reviewed by the School Board.

### **Kindergarten/First Grade Age Entrance**

Generally, children must be five (5) years of age on or before September 1 of the current school year to enroll in the kindergarten program. We feel that a child must be ready academically, socially and emotionally to have a positive first experience in school.

## **Kindergarten Retention**

If retention is being considered, parents will be notified by the end of January. The final recommendation, after reviewing school data, the child's maturity level and potential adjustments at the next grade level, will be made by the school staff in close consultation with the parent/guardian.

In grades 4-8, if a child fails two consecutive trimesters of any core subject, they will be required to attend and successfully complete summer school or be tutored so as to learn skills which are lacking.

## **School Drop-Off/Pick-Up Procedure**

Please be respectful of our neighbors around the school. Drive slowly and mindfully.

### **Morning Drop Off**

- School starts at 8:00am.
- The school doors open at 7:30am. Please do not bring your child(ren) prior to this time.
- Students may go to classrooms when the 7:45am bell rings.
- Bells ring at 7:55am and 8:00am. Any student entering a classroom after the 8:00am bell is considered tardy.
- Enter the parking lot from Harriet Avenue.
- Drop off children between pedestrian crossing and the end of the playground.
- Stay in your vehicle.
- Exit on Garfield.
- Children are not to be picked up or dropped off in front of the school. There is no stopping or parking on 54<sup>th</sup> Street.

## **Afternoon Pick Up**

- The children are dismissed at 2:45pm. Please be there on time to pick up your child(ren).
- Enter the parking lot from Harriet Avenue.
- When picking your child(ren) up at the rear of the building, please stay in line. Your number (displayed in your front or side window) will be called when you approach the pick-up zone, and your child will be ready to enter your car.
- If you have scheduled a meeting, or are coming in to the building, please park in the east lot by the church.

Please do not park in the west lot, or arrange to meet your child anywhere in the parking lot area. It is extremely dangerous for the children to be crossing the traffic lanes.

- Children are not to be picked up or dropped off in front of the school. There is no stopping or parking on 54<sup>th</sup> Street.

Thank you for your continued cooperation in making this a safe, efficient process!

## **Channels of Communication**

Annunciation School believes in the importance of keeping the lines of communication open between parents, staff, and students. If parents are concerned about problems between student and teacher, the following procedure should be followed.

- Contact should first be made with the teacher and every attempt made to resolve the concern.
- If further discussion is deemed necessary, the school principal should be contacted.

- If both these steps prove unsatisfactory, the Annunciation School local conciliation policy should be followed.

### **Attendance**

Students are expected to be present and punctual for all classes throughout the school year.

- Punctual attendance is one of the student's most important responsibilities.
- Punctual attendance helps insure a student's success in his/her school work. The administration expects strong parental support for the school's attendance policies.

When sickness or serious family obligation necessitates absence, the following procedures are to be followed:

- Parents are asked to call in absences on the School Voicemail (612-824-9993 ext 504) before 8:00am on the day the child will be absent to report the reason for the absence.
- A student is considered TARDY if he/she is not in the homeroom by 8:00am. A student who is tardy must stop at the school office where a pass will be issued for admittance into the classroom. If tardiness becomes excessive, parents will be notified and a conference with the principal will be scheduled. If there is need for prolonged absence (15 or more consecutive days), please notify the principal so arrangements can be made for work missed.
- Absence from school without permission is truancy. Truancy is a child 12 or older failing to attend school. A child who misses seven days of school or seven class periods on several different days with lawful excuse can be petitioned as a habitual truant. Students who are

truant will have a conference with their parents and the principal. Students will have to make up time missed for the truancy offense. Other disciplinary actions will be determined on an individual basis.

- It is the student's obligation to obtain and complete work missed during an absence. Middle School can access homework through the Middle School Google calendar or during afternoon home base. Younger students may collect homework from their teachers upon their return or parents can make arrangements to pick up the homework from school. Teachers should be notified before 8:00am so that assignments will be ready to be picked up at 2:45pm.

### **Tardy**

Students need to be in their class by 8:00am. If a student is tardy to school, they will need to check in at the office to report their attendance, lunch count, and receive a pass to be admitted to class (passes for Middle School only).

Eight tardies = 1 absence

Students in K-5 who are tardy to school will have communication from the school to reduce their absences.

After 4 tardies: Student will meet with the principal and will have a letter sent home.

After 8 tardies (and every eight tardies that follow): Student will have a letter mailed home and a phone call from administration, along with two detentions per week (detentions for Middle School only).

Every tardy after 16 will result in the student being sent to the main office to make a phone call home to inform parent/guardian of the student's tardies. An administrator will facilitate the call home and send the student back to class. The student will also have a recess/lunch detention.

After 24 tardies, which equals 3 unexcused days of absence, a truancy letter will be sent home by administration.

After 32 tardies, which equals 4 unexcused days of absence, administration will contact the parent to review the truancy process.

After 48 tardies, which equals 6 unexcused days of absence, a report will be filed with Hennepin County for truancy.

It is our goal to ensure students are in the classroom ready to learn. We want to work as a collaborative team to have students in school on time each and every day.

Students in Middle School will follow the tardy policy outlined in the Middle School Handbook.

### **Appointments**

Whenever possible, parents are encouraged to schedule their children's medical and dental appointments after school. The student will be required to bring a written note from the parents the day before or on the morning of the appointment requesting that the student be excused. The student will give the note to the school office. Included in the note should be information about who will be picking the child up from school. This person must come to the office in person to sign the student out of the building.

### **Lost and Found**

Lost and found articles not claimed at the end of each trimester will be given away to a local charity. Labels in clothes help us to return items to children.

The lost and found is located in the back of the auditorium.

### **Volunteer Requirements**

It is policy that all schools in the Archdiocese must perform criminal background checks on all employees as well as volunteers (including SAC and APO board members) who have regular or unsupervised contact with minors. All volunteers must be compliant with all 3 requirements of volunteering:

1. Background check forms must be completed and turned in. You can obtain these forms from the school office or the church administration office.
2. VIRTUS training must be completed. This program will be offered at Annunciation periodically. Contact Jimmy Dunn, Annunciation Youth Ministry Director, at 612-824-9993, ext 243 for locations and times. This training is a 3 hour program.
3. Volunteer Code of Conduct – Every year all volunteers must sign off that they have received and read this.

### **Communications**

- Change of Address - It is essential that you notify the school office if you have a change of address, phone numbers, or email address. This information is needed to keep our records current and is critical to ensure your child's safety at all times.

- Notices to Students - Because of the large number of students in our school, we are not able to deliver lunches, books, messages, etc. left in the office. If you want to be sure that your child receives what you bring, please check in at the office and then deliver your item.
- Newsletter – It is very important that families read the school weekly newsletter. The *Weekender* keeps parents informed of school happenings, important dates and events, and necessary information. A new issue is published each Friday on the school website. The parish bulletin is also available online.
- Teacher Contact voicemails and e-mails - You may call your child's teachers on the School Voicemail Line at 612-824-9993 - and at the introduction you may enter the extension. You may leave a message on voicemail for the teacher, who will reach you as soon as possible. The teacher extensions are listed on the Staff Directory in the front of the Handbook.

All teachers and school personnel have e-mail access. Everyone's address is "initial of first name, followed by the last name @annunciationmsp.org. Example: For Principal – [jcassidy@annunciationmsp.org](mailto:jcassidy@annunciationmsp.org)

- Telephone Calls - Students are permitted to use the school telephone during school hours only in the case of an emergency. Forgotten homework, field trip permission slips, or plans for social engagements are not considered emergency matters.

Children may not use cell phones in school. If a child has a cell phone, it must be turned off and stored during the school day. Please do not call or text your child during the school day. Contact the school office if a message is necessary.

- Transfers - Parents are asked to inform the school office as soon as possible when transferring a child to another school. All academic and health records will be sent

directly to the new school upon request of the school or if the parents have signed a release form.

### **Dissemination of Official Records**

Parents or legal guardians may ask to review the contents of any records or data collected on or for their child. This may include any or all of the following:

- Identifying data
- Academic work completed
- Report Cards
- Attendance data
- Scores on standardized tests
- Health data
- Verified reports or serious recurrent behavior patterns
- Individual Service Plans or Plans for Accommodation

The administrator is provided reasonable amount of time to reply to a request but not to exceed 45 days.

### **Non-Custodial Parents**

Annunciation School abides by the provisions of the Buckley Amendment with respect to non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and to other school related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

### **Non-Discrimination**

It is the policy of Annunciation School to comply with Federal and State laws prohibiting discrimination.

## **Calendar**

The school calendar is subject to change as the year progresses. Any changes will be announced as far in advance as possible. The proposed calendar complies with state law.

## **Hot Lunch**

Caravan Kids Catering (CKC) transports healthy meals to school each day.

### Prices:

Hot lunch with milk: \$3.80

Hot lunch only \$3.40

Milk only \$.40

School lunch and milk must be prepaid by check made payable to Annunciation. Families may check their lunch account balances on the school's website.

The monthly lunch menu is listed on the school's website. Questions may be directed to Anne Stickney, Lunch Program Director, ext 292. Students may also bring their own bag lunch.

Families may qualify for free or reduced price lunches. Please contact the lunch director or the principal for an application.

NO POP is allowed during the school day.

## **Indoor Recess**

Children may stay inside for the following reasons only:

- Raining or wind chill factor of -10 degrees or lower. Children dressed properly should be able to withstand

15-20 minutes outside if the wind-chill is above -10 degrees.

- A note from home stating a physical reason. However, this should only occur for a day or two at a time.
- Disciplinary reason, at the request of the teacher.
- To complete some work with teacher approval (such as a test).
- To work on an assignment or project with teacher approval that normal class time will not permit to be completed and that absolutely cannot be done at home.

## **School Property**

The Annunciation community works hard to maintain and upgrade the facility. We hope that all students, parents, and guests who use the facility will also show pride in the building and keep it neat and clean. Any damage done to school property must be repaired or replaced at the expense of the offender.

## **School Supplies**

A list of necessary school supplies is available on the school website. APO offers you the opportunity to purchase supplies through a special fund raising program – School Tool Box.

## **Visitation**

Parents are welcome to visit during the school day provided they sign in at the school office and are VIRTUS trained.

## **Student Lockers**

One locker is assigned to each middle school student. The home base teacher has a list with each student's name and locker number. A lock will be distributed to each student. All school supplies will be stored in the locker and not in the classroom. Coats and outdoor gear can be stored in the coat area of each MS room. Lockers are the property of the school and according to Minnesota State Law may be opened by an administrator or faculty member at any time. Desks and backpacks are also subject to search.

## **Curriculum**

Annunciation School uses a broad and balanced curriculum that is appropriate to the developmental levels of learning in the cognitive, physical, spiritual, social, and emotional areas. Teachers provide curriculum information at Parent Information Night in September and throughout the year.

## **Conferences**

Teacher conferences for students in grades K-8 are held twice during the school year. Parents may contact teachers at any time if they have concerns about the child's progress or conduct.

## **Homework**

Teachers at each grade level will give specific information regarding homework expectations to children during the first few weeks of school and to parents at Parent Information Night in September.

## **Homework/Assignments While on Family Trips**

Since material presented in class can never be completely made-up, parents are requested to plan vacations in accordance with school vacations. Parents who feel that some activity involving the family is important enough to require the absence of their child from school should advise the school in writing. Make-up work must be completed according to the timeline of the teacher(s).

Middle School students should talk with the teachers about assignments prior to the trip.

## **Reporting System**

Students in grades K-8 are issued progress reports each semester.

The primary grades (K-3) evaluate progress by using checklists of skills and by indicating strengths and areas needing improvement. Intermediate grades (4-5) add a letter grading system.

Middle school (6-8) uses letter grades.

Report cards are posted on Educate.

If a student loses a text or classroom book, or does not return it at the end of the school year, a written notice will be sent to parents. Report cards for the student will be held until the book is returned or until the book is paid for, according to the current book price to replace the book.

## Special Education

These services include academic, psychological, physical, and speech therapy. If you feel your child has a difficulty which interferes with his education, you have the right to these services if your child qualifies for special education.

Any child who qualifies has the right to individualized special education services. The state and federal programs for Annunciation students are administered through the Minneapolis Public School District. The contact person is Amie Bouchey at 612-668-4150 or [amie.bouchey@mpls.k12.mn.us](mailto:amie.bouchey@mpls.k12.mn.us)

## School Counselor

Annunciation School contracts school counselors through David Hoy & Associates. Sharon Buffie and Mike Weir work with Annunciation children and their families. Sharon will be at Annunciation for two half days per week and Mike will be at Annunciation for one half day every other week.

## Textbooks and Equipment–Government Program

Annunciation School receives state funding on a per pupil basis to assist in the purchase of non-religious textbooks and certain equipment.

## Middle School Guidance

The Minneapolis Public Schools provide a staff person who meets with middle school teachers to provide materials related to career education, study skills, etc. as needed. This person also helps students who may be interested in attending public high schools with the registration process.

## Library Books

- Each book checked out of the library is to be returned in the same condition. Books are due in one week and, with the exception of books on reserve, may be renewed twice.
- Students are notified verbally or by written notice each week a book is overdue.
- The current price of the book and processing fee will be paid for books that are seriously damaged by the student. This must be paid within one month after you have been notified by the librarian.
- A written notice by the parent or guardian must be sent to the librarian for lost books. If the book is still not found by May 15 of the current school year, the current book price and processing fee must be paid to replace the book.

## TUITION

Annunciation School is a treasured, vibrant and vital ministry of Annunciation Parish. The parish is committed to providing affordable Catholic education for parishioners by offering a tuition subsidy for the children of active parishioner families. This tuition rate is available to full time Annunciation parishioners who have been formally registered and meet the following criteria:

1. Time – Attends Sunday Mass at Annunciation Catholic Church on a routine, regular and on-going basis.
2. Talent – Actively participates in Annunciation Parish and School activities and ministries.

3. Treasure – Recognizes their financial obligation and responsibility to the parish by pledging and participating in the parish Stewardship Program.

Families are asked to prayerfully consider a pledge to the parish. Church registration takes place at the Parish Center (612-824-0787).

School Advisory Council policy states that “Continued enrollment at Annunciation School will be dependent upon full tuition payment, unless arrangements are made with school administration. Those who fail to comply with the tuition collection process, either in-parish or out of parish will not be admitted back in the school the next year.”

**TADS Tuition Management**

Annunciation School uses TADS for our tuition agreements and billing. All families, even those who pay their tuition in a single payment, must have a TADS account. Families pay their tuition in one of three (3) ways:

1. Payment in Full – A statement is mailed or emailed in early June.
2. Monthly or variable payment through TADS – over a period of up to 12 months.
3. American Express, Discover or Mastercard credit card payment through TADS. A convenience fee of approximately 3% will be charged if you use this option.

Financial assistance may be made available for the children of families who cannot afford full tuition charges.

**Parishioners**

<b>First Child</b>	<b>\$4,770</b>
<b>Second Child</b>	<b>\$4,355</b>
<b>Third Child +</b>	<b>\$3,850</b>

## **UNIFORM POLICY**

Here at Annunciation, we take great pride in our students and we want our students to take great pride in being a part of the Annunciation School community. As a way to build and support that pride we continue to uphold a uniform policy. Wearing a standard uniform helps to create a neat and consistent appearance for students and reminds them that they are a part of and a reflection of the larger Annunciation community.

Annunciation partners with Educational Outfitters and Donald's for our uniforms. Please purchase all uniform supplies at these vendors. Uniforms purchased through these stores are made with fair trade/labor practices and have been designed to hold up for heavy wash and wear. Used uniforms are available through the Annunciation Parent Organization (APO). Spirit Wear is also available on the Annunciation Web Site. <http://www.annunciationmsp.org/parents/spirit-shop/>

## **SAFETY AND CAMPUS SECURITY**

Students shall not be permitted to leave school before the regularly scheduled dismissal time except for a valid reason and with the approval of the principal. Once approval is obtained, the parent must sign the student school log book in the office and ask to have the student paged and sent to the office.

It is recommended that the parent send a written note ahead of time so that the student can be ready and waiting in the office to be signed out. The outside doors of the campus will be locked at 8:00am. Visitors and volunteers may enter through the 54<sup>th</sup> Street door, sign in at the office and obtain a badge to wear while in the building. Hallway doors to the school will be locked at 4:00pm after school.

### **Child Abuse and Neglect**

Under Minnesota State Law, school staff and faculty are required to report suspected physical and sexual abuse and certain forms of neglect. Neglect may include failure to provide necessary food, clothing, shelter, medical care, school attendance, etc. Reports must be made to Hennepin County Child Protection Agency or to the police.

Anyone may report suspected abuse or neglect. The 24-hour Hennepin County Child Protection number is 612-348-3552.

For information about Parents Anonymous or to talk to someone if you're about to hurt your child, call the 24-hour Child Abuse Prevention Hotline – 612-348-3552.

### **Peanut and Tree Nut Safe Policy**

Snacks – Peanut and tree nut free snacks: All snacks and foods for special functions such as Carnival, must be peanut/tree nut free. This includes fresh food, packaged food and homemade food. Check labels: Please remember to check labels every time you purchase a product, as ingredients may change. Avoid any products stating: "May contain traces of peanuts and tree nuts." or "Manufactured in a facility where peanuts and tree nuts are present."

Lunchroom – Peanut & Tree Nut Free Table: There is a designated peanut and tree nut free table in the lunchroom for all three lunch periods. Non-allergic children are welcome to sit with the allergic friends at this table, provided that their lunches do not contain peanut/tree nut products. This table is optional for kids with peanut/tree nut allergies. After lunch, students who have eaten peanut/tree nut products must wash their hands with soap and water or use a wet wipe before class resumes. This is very important in order to prevent cross contamination. For further information on peanut/tree nut allergies, check these websites: [aafa](http://aafa.org) and [foodallergy](http://foodallergy.org).

### **Bicycles**

Students may ride their bicycles to school and must lock the bikes in the bike rack. The school is not responsible for stolen or damaged bicycles. Bicycles are not to be ridden on school ground during the school day. Bike helmets are strongly recommended.

## **Cold Weather Procedures**

During the cold winter months we ask that parents make a special effort to see that their children are dressed appropriately (ie, hat, mittens, boots, etc).

The children go outside for recess at lunch. During winter months, we sometimes receive requests to keep children inside at recess. Such requests are difficult to honor because classrooms are not supervised at these times. We have found that a short period of outdoor activity is extremely important in order to refresh each child. The children then arrive back in their classrooms better prepared to resume their studies.

When temperatures fall below -10 degrees F wind chill, the students will stay indoors.

## **Skateboards and Rollerblades, Scooters**

Skateboards, rollerblades and scooters are not to be used in school or on school property.

## **HEALTH AND WELLNESS**

### **Health Information**

State funded health services for students are provided by a licensed school nurse hired through the Minneapolis Public School District. The nurse is at school one day a week but is available by phone daily. The duties of the nurse include assuring compliance with the state immunization law, supervising hearing, vision and scoliosis screening, and maintaining the health record that is kept on each child from kindergarten through graduation. The nurse also consults with

students, staff and families regarding first aid, episodic care, medications, communicable disease and emergency care. Daily first aid duties are carried out by the school office staff and/or parent volunteers.

1. Health Volunteers: During noon recess, on some days, parent volunteers staff the health office when the school nurse is not on duty. Volunteers receive some training in first aid and school policies. The volunteers may not dispense medications.

2. Illnesses and Injuries: If your child has a fever or is not feeling well enough to work at school or to be outside at recess, please keep your child at home. You will be called if your child becomes ill at school, and he/she can be picked up in the office. If your child is injured at school, first aid will be administered. If a serious accident occurs, you will be called or paramedics will be called as necessary. It is important that parents notify the school of any changes in home or work numbers. We also appreciate being informed if your child has a contagious disease so that we may inform other parents that the illness is present in the classroom. The identity of the ill child is not shared.

3. Return to school following a sick day: To maximize learning and to minimize disease transmission at school, a student who is ill should stay home for 24 hours after a fever returns to normal (without fever-reducing medication) from a high of over 100 and for 24 hours after the LAST episode of vomiting or diarrhea.

4. Medications: Giving medications to students in school presents possible problems of safety and reliability. If your child needs medication, please work out a schedule with your medical provider that does not include school hours, such as before and after school and at bedtime. If medications must

be given in school, the medication policy developed by Minneapolis Public School Health Services will be followed. This policy states that medication can be given by school personnel only with written authorization of the physician and parent, and must be sent to school in a properly labeled bottle from the pharmacy. The policy applies to both prescription and over the counter medications. Consent forms and copies of the entire policy are available in the school office.

5. Immunizations: Minnesota law requires that all children enrolled in a public or non-public school must be immunized against diphtheria, tetanus, pertussis (DPT), polio (OPV), measles, mumps and rubella (MMR) and Hepatitis B. A record of these immunizations must be given to the school prior to entering kindergarten and must be updated before 7<sup>th</sup> grade. Students transferring from other schools must present the record upon registration. If the parent or guardian has a conscientious objection to immunizations, a notarized statement to that effect must be given to the school.

6. Physical Exams: Physical exams are requested when entering kindergarten and seventh grade and if your student is new to the Minneapolis Public or Non-public Schools. Students are expected to participate fully in the school program, including all physical education activities, unless your physician has recommended otherwise. Therefore, it is important that we have current health information in your child's record. Parents are asked to inform the teacher and school nurse of important health information, allergies, chronic illnesses, etc, to ensure proper care and safety for your child.

7. 7<sup>th</sup> Grade Immunization Requirements: Before entering 7<sup>th</sup> grade, state law requires that students show proof of a 2<sup>nd</sup> MMR,

a Tdap, a series of Hepatitis B shots, and either a date of chicken pox disease or a varicella shot.

If immunizations are contradicted for medical reasons, a signed statement from the physician must be provided. Forms for both the conscientious and medical exemption are available in the school office.

## **EMERGENCY PROCEDURES**

### **Fire Drills**

Fire drills are necessary for the safety of the children. At the signal, all students and teachers leave the building quickly and silently. Teachers will take their class roster/grade book with them for roll call. Only when a signal is given does everyone return quietly into the building. Minnesota Law requires four annual fire drills.

### **Tornado Drills**

Tornado drills are necessary for the safety of the children. At appropriate signals, all students and teachers will proceed accordingly - following the school's tornado drill plan.

### **Lockdown Drills**

Lockdown drills are necessary for the safety of the children. At the signal, the teacher will lock the classroom door and have the children sit away from the door and windows. The teacher will account for all children in the classroom. At the end of the drill, a signal will be given to indicate an "all clear."

## **School Closings**

School closing due to inclement weather will be announced on WCCO 4, KSTP 5, and KARE 11 television, radio, and websites, as well as a posting on Facebook and an automated telephone call and email from the school.

Annunciation does not follow Minneapolis Public Schools for cold weather related closings.

## **Emergency Situations**

In the event of an emergency involving a child at school, first aid will be administered by a staff person. The staff person assisting the student will determine whether the emergency requires professional medical assistance. If the staff member determines that professional medical treatment is required, the staff person, or someone designated by the staff person, will contact 911 immediately. Current emergency medical information on file for the injured person will be delivered to the paramedics upon their arrival. Office staff will then notify parents (or an emergency contact designated on the child's emergency form) of the emergency situation and the care given.

In the event that the injured party must be transported to a medical facility, the staff member assisting the child, or another staff member designated by the principal, will accompany the child to the medical care facility and will stay with the injured child until the parent or an appropriate guardian arrives.

Any expense incurred from the use of emergency medical care will be the responsibility of the child's parents.

## **Evacuation**

If the building must be evacuated for an emergency, children will be taken to the church for safety. Parents will be able to contact a school representative by calling the parish office at 612-824-0787.

## **Field Trips**

Field trips are encouraged as part of the school's educational program. Signed parental permission slips must be returned to the homeroom teacher by the date due. Students without parental permission will not go on the field trip. Phone calls for permission will not be acceptable.

If your child has lost the permission form, you can go to the Annunciation School website, click on 'Parents' and you will see the field trips listed on the right side of the screen. Select the appropriate field trip to create an "emergency" form which must be filled out with all the pertinent information. We WILL NOT print permission forms on the day of the field trip. Bus transportation will be used on all field trips when appropriate.

All volunteers and/or chaperones must have completed a background check and gone through the Virtus Training program. Forms are available in the school office.

## **School Bus Behavior**

Riding the bus is a privilege. The following rules are meant to protect the safety of all students who will be riding the school bus during field trips:

- Wait a safe distance from the curb at the bus stop.
- Wait until the bus comes to a full stop before boarding.
- Sit in selected or assigned seat and remain seated while the bus is in motion.
- Keep entire body inside the bus at all times.
- Do not throw things in or out of the bus.
- Stay out of the school bus danger zone. The danger zone is an area within ten feet of the bus in all directions.
- Follow the directions of adults on bus at all times.
- No eating or drinking on the bus.
- When leaving the bus and crossing a street, students should:
  - Walk at least 10 steps ahead of the bus.
  - Stop, look at the bus driver and wait for the signal to cross.
  - Walk quickly across the street. Do not stop or turn back.
  - Never cross behind the school bus.

**Consequences for violation of bus rules:**

Students in violation of these rules will be issued a behavior consequence according to school policy.

**STUDENT EXPECTATIONS**

**Rights**

We believe that every student has certain rights that must be respected by all persons at Annunciation School. These include:

- The right to be safe and protected.
- The right to learn.
- The right to have his/her concerns heard.
- The right to be treated with kindness and consideration.

**Responsibilities**

In conjunction with these rights, we expect students:

- To be responsible for their own actions.
- To be welcoming and courteous at all times.
- To display a Christian, caring attitude toward classmates, teachers, staff, school volunteers, and visitors.
- To respect others in what is said and done.
- To respect and care for school property and the property of others.
- To help maintain a positive and orderly learning environment.
- To follow the directions of ALL teachers and supervisors.
- To avoid actions or activities that could potentially result in negative feelings, aggressive behavior, or unsafe conditions.

**Bullying**

Bullying will not be tolerated at Annunciation School. According to the U. S. Department of Education, bullying is defined as: “intentional, repeated hurtful acts, words or other behavior, such as name-calling, threatening and/or shunning committed by one or more children against another. The victim does not intentionally provoke the negative acts, and for such acts to be defined as bullying an imbalance in a real or perceived power must exist between the bully and the victim. Bullying may be physical, verbal, emotional, or sexual in nature.”

**Discipline**

The objective of discipline is to develop a mature individual, capable of self-control and self-direction. Discipline is controlled behavior, designed to develop within the student responsibility for his/her own actions in accordance with socially accepted conduct.

### **School Consequences**

Rules are meant to support the students in learning to make wise and helpful choices. Students experience the satisfaction of their positive behavior, thus prompting them to choose such behavior on their own. However, they also must learn that there are consequences for unacceptable behavior.

While every effort will be made to help the students set positive plans of action; there may also be a need for serious consequences. If a student does not respond to positive guidance and does not change a negative pattern of behavior, the student will face the possibility of detention, behavior contract, a conference with the teacher and principal including the student and parents, or even suspension or expulsion.

The principal is the final authority in determining appropriate consequences based upon the student's age, behavior history, and the severity of the offense.

Discipline referrals will be written by teachers if classroom interventions fail to work. These referrals will then be documentation for students and will be placed into their file.

### **Consequences for Violation of School Rules**

Administration reserves the right to modify consequences.

As each disciplinary interaction is different, appropriate consequences to offenses will also vary. Teacher response to behavioral offense may include any of the following (options "4" through "9" will include parent contact):

1. Verbal warning
2. Temporary removal from classroom
3. Lunch detention

4. Phone call to parent
5. Morning detention
6. Request for parent-teacher conference
7. Referral to administrator
8. In-school suspension
9. Out-of-school suspension

### **Severe Behavior**

The following behaviors will be considered severe and are governed by a separate set of consequences. Severe behavior includes:

1. Insubordination toward any school personnel, school representative or guest.
2. Intimidation of or any attempt to intimidate or bully other students or school personnel.
3. Fighting or causing intentional physical harm to another.
4. Disrespectful, sexual or abusive language.
5. Destruction of property/vandalism.
6. School truancy.
7. Stealing and/or cheating.
8. Leaving school grounds without permission.
9. Anything that constitutes a severe disruption of the learning environment, endangers the safety of students and/or teachers, or is in direct violation of the philosophy and goals of Annunciation school.

### **Consequences for Severe Behavior**

### **Chemical Use/Possession**

If any student attending Annunciation School is found in possession of, buying, selling, distributing or under the influence of mood altering chemicals while on Annunciation School grounds, attending any school sponsored event, or while riding the bus, this student will face immediate suspension by the principal.

In such an instance, the principal or supervisor will:

1. Notify the parents of the child's condition and remove the child from school (or the sponsored event) immediately.
2. Inform the parents that the child is suspended, and schedule a re-entry conference with them as soon as possible.
3. Inform local authorities if deemed appropriate by school administrator.
4. Refer the parents and student to a chemical health specialist for evaluation.

Before suspension is lifted, the parents and student will be required to:

1. Provide valid proof that the student is receiving professional help from a drug/alcohol counseling service.
2. Agree to the student being placed on a 6-month probation at Annunciation School.
3. Agree to immediate expulsion from Annunciation School if a second violation of the chemical use/possession policy should occur.

Should the principal receive a substantiated report of any Annunciation School student violating the chemical use/possession policy, even while off school grounds, the principal shall notify the parents regarding this report and schedule a conference with the parents and student to discuss the report.

Following the conference, the principal may take actions deemed appropriate to the situation, such as suspending the student until the student receives a professional evaluation from a drug counseling service, placing the student on probation, or expelling the student if there is inability or unwillingness on the part of the student or parent to resolve the situation.

\*\*\*MOOD ALTERING CHEMICALS include any substances such as drugs, alcohol or prescription drugs that significantly change the behavior of the person taking them.

### **Tobacco Use/Possession**

The use or possession of tobacco in any form by Annunciation School students during school hours, on school grounds, while riding the school bus, or while attending any school sponsored

function will result in confiscation of the tobacco product and in the following disciplinary action by the principal:

1. First Offense - Parents will be notified. The student will face consequence befitting the offense, such as detention, suspension, denial of bus riding privileges, or loss of opportunity to attend school sponsored functions.
2. Second Offense – Steps of first offense will be followed. Then a conference with the student, parents and principal will be called to discuss a plan for change in behavior. Suspension from school may be recommended.
3. Third Offense - Immediate suspension up to five days from school, possible expulsion.

### **Student Sexual/Racial/ Religious Harassment**

It is the policy of the Annunciation Church and School to provide an environment in which students are able to realize their full potential. Sexual/racial/religious harassment, in any form or degree, is destructive of such a favorable environment and will not be tolerated. (Minn. Stat. 127.46)

### **Provisions**

Sexual harassment includes any unwelcome verbal or physical sexual advance, requests for sexual favors, or sexually motivated physical conduct or communication of a sexual nature, which is offensive to the recipient. It is considered to be sexual harassment when:

1. Submission to or rejection of such conduct by an individual is used as a factor in decisions affecting that individual.
2. Such conduct has the purpose or effect of either interfering with an individual's work/learning

performance or creating an intimidating, hostile or offensive environment.

Any student engaging in sexual or racial harassment or who resorts to reprisal against another student or teacher will be subject to disciplinary action up to and including possible expulsion.

The principal has an affirmative duty to maintain a school free of sexual, religious and/or racial harassment. This duty includes discussing this policy with students and assuring them that they are not required to endure insulting or exploiting sexual, racial or religious treatment.

The duty to report incidents of sexual or racial harassment extends to acts perpetrated by all employees and anyone conducting business on the premises (e.g. parents, vendors, volunteers, and visitors).

### **Procedures**

Any student who believes that he/she has been the subject of sexual or racial harassment or who has any knowledge of that kind of behavior should report the alleged act immediately to school staff. The staff member is required to document the event and share this information with the principal. If the harassment involves a staff member, the student should report the alleged act immediately to the principal. If the harassment involves the principal, the student or staff member should report the act to the pastor. If the harassment involves the pastor, the student or staff member should report the act to the Archdiocese of St. Paul/Minneapolis.

1. The principal or appropriate delegate will investigate the alleged harassment and proceed to do whatever is

necessary to resolve the complaint. Actions may include any or all of the following:

2. Investigation of the complaint by interviews with the parties involved.
3. Consideration will be given to suspension of alleged perpetrator during the investigation.
4. If facts warrant, the perpetrator will face expulsion from school.
5. Investigation will be conducted and a resolution of the issue will be submitted within sixty (60) days of the formal written allegation.
6. All information will be held in confidence until and if a decision is made that a student will be disciplined. At that time, it may be necessary to provide information as to the alleged conduct to, but only to, those individuals who are required to know of the allegations.

## **Weapons**

“Weapons” means any firearm, whether loaded or unloaded, or any device designed as a weapon and capable of causing bodily harm or death, or any other device or instrument which, in the manner it is used or intended to be used, is likely to cause bodily harm or death. Look-a-like weapons may not be brought to school and will be dealt with as weapons.

Some examples of weapons include, but are not limited to: Boy Scout knives and Swiss army knives, pellet guns, knives, razor blades or knife blades of any kind, metal knuckles, numchucks, mace, stun guns, or explosives. Students witnessing the presence of any weapon should report it to a teacher or the principal immediately. Weapons will be confiscated and the police may be notified. Parents/guardians will be notified.

Possession of a weapon will result in a mandatory five-day suspension, probation when the student returns to school and/or expulsion. The use of a weapon in a threatening manner will result in expulsion.

## **TECHNOLOGY USE**

Internet use at Annunciation will be a closely supervised activity and access is limited and will be monitored. (Despite this, it is a wide-open system that contains information and images that

are not appropriate for students.) While we will use filters that attempt to block inappropriate images, words, and materials, students may encounter materials that parents may consider inappropriate. The student is responsible for not pursuing materials that could be considered offensive. Web 2.0 resources may be used at the discretion of the classroom teachers. Parents should feel free to discuss any concerns they may have about their child's computer or internet access. Please read the above with your student.

### **Personal E-Reader Policy**

- E-reading devices must be approved by the teacher.

- All personal e-readers must be labeled with the student's first and last name.
- Each student is responsible for his/her own e-reader and is not allowed to lend it to another student while on campus.

- The second violation of this policy will result in the confiscation of the cell phone or electronic device. It will be sent to the office and must be picked up by the parent.
- A third violation of this policy will result in the banning of all cell phones and electronic devices of the student in violation of this policy for the remainder of the school year. If found in violation, such cell phone or electronic device will be confiscated for the entire school year.

### **FUNDRAISING: MAKING A DIFFERENCE**

Annual giving helps to bridge the gap between tuition and the full cost of education. Generous yearly contributions make it possible for Annunciation to offer a more affordable tuition. It is separate from parish stewardship. Annunciation has four primary fundraising programs that all members of the community are asked to support. Participation is the main goal, no gift is too small. Contributions may be made online through our school's website: [www.annunciationmsp.org](http://www.annunciationmsp.org). Your

employer may match your contribution, some employers also allow you to designate Annunciation School in their annual campaigns such as the United Way.

- Annual Funds: Monies may be used where the greatest needs exist, for example, the school operating budget, for capital improvements, financial aid, or to increase the school's endowment.
- Christmas Appeal: Funds raised support the Creative Arts Program and other academic opportunities for students.
- Help a Student Fund: All monies raised go to need-based financial aid for students.
- Silent/Live Auction: Proceeds are used for the school's operating budget, for capital improvements, and to increase the school's endowment.

1. Contact the respondent's immediate supervisor. If there is no relief, then
2. Discuss the problem with the next level of administration.

#### Example A

2. Parent to principal. If no resolution, then
3. Parent to pastor. If no resolution, then
4. Parent requests in writing to begin local conciliation.

Any complaints to the school advisory council or a member of the council concerning personnel or curriculum should be referred to the principal for resolution.

2. The local conciliation committee will be made up of three persons: one designated by the pastor, one designated by the respondent, and one designated by the person seeking resolution.
3. The local conciliation committee will meet in a time period not to exceed 15 working days of being formed to receive evidence and make recommendations. The

committee shall have the discretion to determine whether evidence shall be written, oral, or both.

4. At the conclusion of the meeting, and upon due consideration (discussion, thought, prayer), the committee will write a summary of the meeting and make its recommendations in writing to the administrator, who in turn will determine that no parish and/or school policies have been altered or amended. The recommendations will then be forwarded to all concerned parties.
