- Enrollment and COVID updates - **Enrollment is at 326, some still enrolling. 5th grade is the only full class at 45. There will be a trunk or treat event hosted by Annunciation and LADC October 30th. We have received a grant from CSCOE as part of**

initiatiative to increase enrollment and retention. One example of use of funds- birthday gifts for students this year. There will be an open house in November.

COVID- we have outlined a plan for moving forward which is based on school experience. We used our school as a case study to develop the plan. We are trying to move forward, not backward. We will try to avoid whole class quarantines. This was done as a precaution in recent weeks because this school year looks different- more movement, kids not masked in the cafeteria, etc. This plan will go into the next Weekender. A request was made for the Archdiocesan plan to be included in the information.
